The 3-in-1 Trader Course: The New Rational Manager

By Professor Hank O. Pruden

Date: 23 and 24 August, 2008

Venue: Renaissance Kuala Lumpur Hotel, Malaysia

Richard D. Wyckoff's first instruction to his students of his stock analysis method published in the 1930s was quite simple and specific – "Forget all the decision-making factors you ever used. All you need to know can be found in the tables of stock prices and volumes in your daily newspapers."

Synopsis of this Power-packed 2-day Programme

TESTIMONIALS FROM OUR 3-IN-1 TRADER COURSE 2006 PARTICIPANTS
CONDUCTED BY PROFESSOR HANK O. PRUDEN IN MALAYSIA

“This course is brilliantly presented and really different from the normal investment seminar which I have attended. Now I understand the market movement more positively. Professor Hank Pruden is an interesting and a unique speaker. “

-Ab Rahman Ab Latif-

“This course is a tool to make \$\$\$\$\$. It is a good course for advanced practitioners of Technical Analysis. The notes are excellent and the speaker is good. He has excellent knowledge on the subject matter. I benefited on stocks behaviour analysis especially price and volume relationships and behaviour guides as a trader.”

-Ho Kong Fatt-

“I wanted to learn in details the Wyckoff method and am thankful to the organizer of this course. Now, I have good understanding of the ‘Composite’ trader. Professor Pruden is excellent, very cool, interactive and always stays connected with the participants. The comprehensive Wyckoff method is certainly applicable to all markets as the Wyckoff is regarded as one of the Titan of Technical Analysis.”

-Low Kia Jit-

“The main reason for me to attend this course is to understand more on Wyckoff method. Wyckoff is more on understanding the reason why market move and how to read charts behaviour. It is quite different from other technical course. Prof Pruden is excellent, very well-known and it is really good to get him to present. I think he is doing a good job and he knows how to keep the class attentive throughout the course.”

-Michael Yap-

“I came to this course because I wanted to learn the Wyckoff Principle. I find it good as it helped in adding on to my existing knowledge of trading and re-learning about self discipline. Generally, the speaker is entertaining and very interactive. From here, I learnt the Wyckoff Principle, trading management and I get to meet new traders and exchange ideas.”

-Mohd Redzuan bin A. Samah-
